This is as Good as it Gets..!

If you have been looking at getting into the property investment market or looking at your first home then this little gem may just be the home you have been waiting for.

This fully furnished 2 bedroom stand alone home would have to be one of the best prospects in this price segment and with the low maintenance requirements and convenient location to shopping facilities, childcare, sporting facilities and public transport it is sure to be popular.

Featuring 2 bedrooms, open plan living area, functional kitchen with modern appliances, modern bathroom facilities, dual entertainment areas, extra-high ceilings, single lock-up garage + ample additional parking and NO Body Corporate Fees – This home is a must see!

There is a park across the road for the children to play or just take some time out after a busy day at work and native trees planted around the home, so living here has a definite serenity about it and is one of the main reasons why the existing owners purchased the home.

Do yourself a favour and contact the Marketing Agent – Steven James on 0439 111 197 to arrange your private inspection. Fully furnished homes of this style and in such good condition seldom come on the market at this price – so Act Now..!
